Experience

Freelance Legal Consulting

2020 - Present

Providing legal consultation services on a project-by-project basis to local corporations and private traders. Conducted legal research, drafted legal documents, and offered legal advice on issues of contract law.

Career Break

Feb 2020 - June 2023

Temporarily suspended my academic pursuits from 2020 to 2023 due to personal responsibilities, namely, the nurturing and upbringing of my two children.

Customer Relations Specialist

Jan 2018 - May 2018

Vero - Finnish Tax Administration

Provided guidance, service, and advice on Finnish Taxes and tax-like charges. Transitioned from this role to dedicate my efforts towards the completion of my master's degree.

Education

University of Helsinki

2018 - 2024

Master's Degree, International Business Law

Thesis focused on the modernization of the CISG (United Nations Convention on Contracts for the International Sale of Goods) to comprehensively address the complexities surrounding the sale of commercial datasets in today's digital economy.

Maastricht University

2012-2016

Bachelor's Degree, Law

The European Law School programme focuses on teaching essential legal skills, such as how to work with statutory materials, reference books and legal literature, specifically in the areas of contract law, international comparative law and European legal systems.
